

Ladies Save This Date

Friday September 23, 2022

Dear Ladies,

The Gentlemen of St. Francis of Assisi cordially invite you to a "Ladies Dinner" to be held on Friday September 23, 2022 at the church.

We will start upstairs with appetizers and a beverage at 5:00 pm. Followed by a sit-down dinner in the West Hall at 6:00 pm.

Our guest speaker will be Nancy McPhee, Stephen's Backpacks Society. This special ministry was birthed from the parish of St. Francis and is very active today meeting the needs of 1000's of children and families in need.

Following Nancy's sharing we will enjoy a special dessert served by the Gentlemen and special gift draws will take place during this time. We are so looking forward to sharing together.

If you have any questions, please do not hesitate to contact me.

God Bless
